

Mossel Bay's Seafood House ~ Since 1988

Acclaimed for local seafood specialties, ingeniously prepared. Coastal oysters, black mussels and Mossel Bay sole are collected daily from the harbour to make a delectable and varied a la carte menu, which also includes sushi, pizza, salads, grills, and local Fusion fare.

Located on the Garden Route's famous Old Post Tree Square, in the center of town, we are on the doorstep of the world famous Diaz Museum Complex. There is ample parking for tour busses and individual vehicles alike. The restaurant is within walking distance from the harbour and Santos beach. On the same lively intersection you will find our local tourist information office, shark cake diving departure point, adventure activities booking center, local craft and art shops as well as a shopping center.

The square houses Café Gannet - the trendy main restaurant, a private dining & meeting venue, al fresco seating outside overlooking Santos beach, our famous and ever popular Legendary Blue Oyster cocktail Bar, as well as small and large function venues for private events.

We pride ourselves for outstanding standards on both the preparation and presentation of our dishes. As well as the level of service offered to visitors. Our guest reviews will attest to this fact.

Contact us for your personalized quotation on functions or reserve your table for a la carte – we look forward to hosting you!

Seating capacity 250. Private venues for groups of 20 to 120.
